

42nd Annual Everglades Coalition Conference

Sponsorship Opportunities

January 28–30, 2027

**Naples Grande Beach Resort
Naples, FL**

Introduction

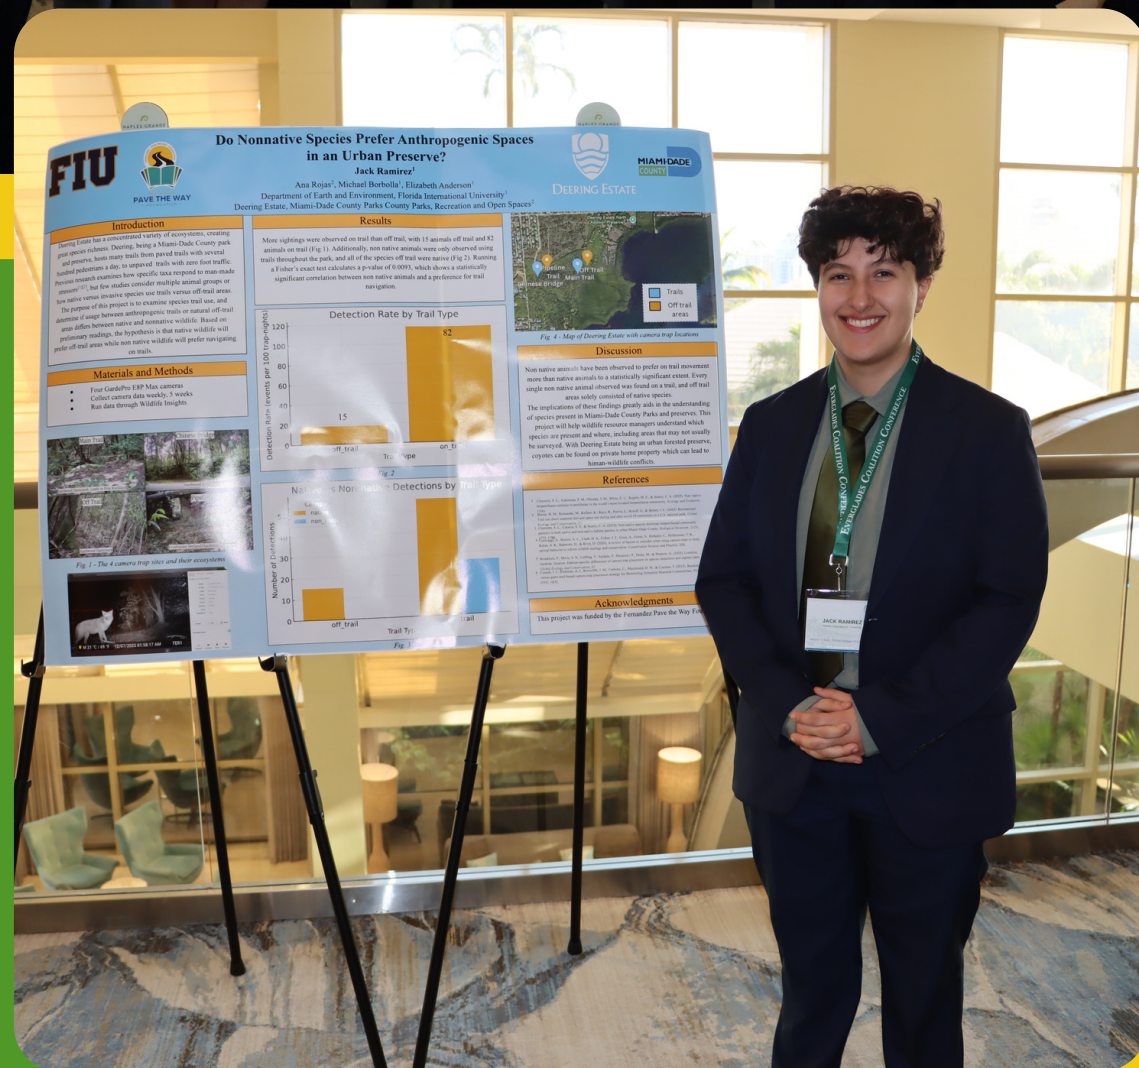

The Everglades Coalition is an alliance of 55 local, state, and national conservation and environmental organizations dedicated to full restoration of the Greater Everglades Ecosystem, from the Kissimmee Chain of Lakes into Lake Okeechobee and to the estuaries, through the River of Grass, out to Florida Bay and the Keys.

This year, we're proud to be **celebrating 42 years** of our annual conference. Our hope is that this conference serves as a catalyst for bold ideas, collective action, and renewed dedication, ensuring that the Everglades remains a thriving legacy for generations to come.

Our Conference

The Everglades Coalition Conference welcomes more than 400 participants annually and is the largest forum for dialogue on Everglades restoration issues for elected leaders, policymakers, scientists, academics, advocates, students, and stakeholders of the Everglades community. We host conferences across Florida to spotlight different regions of the ecosystem, enabling us to partner with local municipalities and businesses. We believe this helps us connect the community to our environment and educate people on the Everglades' incredible benefit to the state.

Our Diversity & Community Engagement Commitment

- Need-based Speaker Stipends
- Community Scholarship program
- Student Scholarship program
- Reduced rates for students and teachers
